EDITORIAL

Now that Hallowe'en has slung its hook for another year, and the supermarkets can finally bombard us with festive squander, it's easy to forget one of the best nights of the year, even though there's a rhyme urging us to remember the 5th of November. Yes, folks, it's Bonfire Night! Now, I'm sure some of us dream of sticking a sparkler up the Government's jacksie with the hope of moving Brexit along, but alas some things cannot be. Instead, we've hand-picked some cracking ladies supporting toffee apples you won't be able to ignore. So indulge your pocket rocket and set off some fireworks of your own this November.

Dear Club,

Last summer I was walking home from town and decided to see if I could cut through a new housing development that had been built. Despite still being built, many people had already moved in. As I headed for some steps that led out to the road which would take me home I heard some giggling that was coming from the end of the block. The way the balconies were built I could not immediately see who it was so instead of crossing the road I walked on. I was glad I did.

When I got a bit closer, I could see two girls in their PJs. One was sitting on the others lap and she had her arms around their neck and I could see them talking and laughing in between kissing each other. I wanted to stop and watch, the sight already causing a growing semi in my shorts but it was too easy to be seen and I did not think I should get caught watching them. So I walked slower, making the most of it, hoping they would not see me too quickly.

As I got to their balcony, the dark haired girl looked at me. I could now see she was gorgeous, and obvious she had no bra on under her vest top.

"Hi!" the dark-haired girl said, which gave me a reason to carry on staring at them. "Lovely day!"

"It is, and it looks like you're making the most of it!" I replied smiling. They both laughed.

"Yes, we have been enjoying ourselves," the dark-haired girl said whilst exchanging a knowing look with her friend. "Do you live round here too?" she asked.

"I wish," I said and thought I would try my luck a little, "I could watch you two every day then."

"I watched Ashlynn sucking my cock and nibbling and sucking on my balls."

They both laughed again and the dark-haired girl carried on; "We did think we may be making a spectacle of ourselves but it's so quiet, I think everyone's out."

I was now leaning on the balcony in full conversation with them. They had moved in the day before, it was their first place together and they made no secret of being girlfriends.

"Well I better let you two girls carry on enjoying yourselves," I said, thinking I'd better

leave them alone as when they saw my hard on, they may think I was just a dirty old pervert. Not far from the truth – but I did not know how they would react.

However, the dark-haired girl spoke first, "No, don't go. You're the first person we've met here and although you may not be a neighbour, you

are nice and have not judged us at all."

They then invited me to join them on their balcony. Now I took a calculated decision, I knew they had no food in and they had said they were both hungry. There was a pub five minutes' walk away that did good food.

"If you're hungry why don't you throw some clothes on and I'll introduce you to the local pub and buy you an early dinner – it can be a moving-in present."

They looked at each other, smiled and together, to my delight said, "Yes."

Five minutes later they were dressed and joined me. Jenny (as I found out the brunette was called) came out first, she was wearing a different vest top but still with no bra, denim hot pants and flip-flops. Ashlynn – the blonde – came out in a tight white t-shirt, a very short denim skirt and little boots.

Lunch was perfect. We stayed there for about three hours and drank plenty of wine before I finally paid the bill and we left giggling. The girls went to the ladies together and I waited for them outside. As they came out Ashlynn took my arm and said, "Come home for a nightcap." She had a very cheeky look on her face and of course I agreed as they both kissed me on the cheek, thanking me for dinner.

When we reached their place, Ashlynn got more wine. Jenny sat me down on their settee and promptly sat astride me, facing me. I wasn't sure what she was doing, but she leant forward and kissed me on the lips this time. It was just a quick kiss, but I could feel my cock stiffen.

"I'm going to have a shower – Ashlynn will look after you," she said. She then lifted her top off, her pert tits and very erect nipples just a few inches from my face.

Ashlynn was now pouring the wine watching us, as Jenny looked down at the bulge in my shorts. Jenny, still sitting topless astride me reached down and gave my bulge a feel. Turning to Ashlynn she said, "Yes it does feel big, we were right." She then stood up so she was in front of me, flicked off her shoes and undid her shorts and let them fall to the floor. She said, "I won't be long!" then turned and kissed Ashlynn in a long drawn out kiss, Ashlynn's hands caressing Jenny's cute bum. I was completely dumbstruck as Jenny walked to the bathroom.

Ashlynn then gave me a drink and as I took a much needed gulp, she got on her knees,

“I enjoyed lapping at their cunts, taking my time to probe their lips and enjoy their juices.”

positioning herself between my legs. She took her T-shirt off, releasing her lovely big tits and undid my shorts, pulling them down. I lifted my arse on the settee so she could pull them down, letting my very hard cock spring out. “It’s been ages since I sucked a cock – I hope I can still do it!” she laughed. She could. She started by sexily licking my helmet before sucking my cock into her mouth. I could hear the shower running as I watched Ashlynn sucking my cock and nibbling and sucking on my balls. Jenny walked in the room still, wet and naked. Ashlynn looked round at her. “It’s a lovely cock!” she said, “but don’t make it come till I back” With that she stood up and went to the shower and Jenny took her place, staring up at me as she started to lick my balls and shaft before slowly and very sexily sucking my very hard dick. It wasn’t long before Ashlynn was back and they now both were on their knees, sharing my cock in a most amazing blow-job. They

were now concentrating on fast sucking and wanking and I could not hold back any longer. Jenny took the first shots of jizz in her mouth and then Ashlynn licked my dick clean. Ashlynn stood first. She still had my spunk on her lips as she said, “Right let’s see what your oral is like.” I followed both girls as they walked to their bedroom where they both lay on the bed on their backs with their legs wide open. My cock was fully hard again as I looked at these very horny girls with their cunts open and exposed. I positioned myself so I could get to both of their pussies and began to slowly kiss and lick their lips. Both girls were moaning and both were soaking wet and I enjoyed lapping at their cunts, taking my time to probe their lips and enjoy their juices. It was Ashlynn who came first. I was licking and sucking on her clit while fingering Jenny when her hand reached down to my head and pulled me in tight to her cunt. I could feel her wetness on my face and smell her juices as she came hard in my mouth. When she released my head, I concentrated on Jenny who also came hard as I licked her clit and fingered her soaking pussy. As I sat up my face was covered in the girls’ juices and they were

looking at me smiling. “For a man I have to say that was incredible,” Jenny said. “You two weren’t bad either!” I replied, making them laugh. We drank some wine all laying on the bed naked until I said I better go. There was no invite to stay the night but the girls did very politely explain that they had agreed that I could not stay over. It seems the whole night was planned when they went to the ladies together and it had solved a problem for them. Both of them were actually bi, but they didn’t want to cheat on each other so they thought a threesome was the answer. *Jim, Lancaster.*

Use credit to tip girls for your naughty requests...

The London based sexpot Brooke Lea is always ready to party hard, especially when there's champers involved.

"A night out without my favourite tippie is no night out at all. So I've always got a bottle of fizz in the fridge just in case."

Are we in the presence of a true party girl then?

"I wouldn't say that, I love going out, but I'm equally happy to stay in if there's something to wet my appetite."

Your favourite tippie you mean?

"Not quite." She replies with a wink.

nearly ten years, and
your lusty eye may
have caught a glimpse of the
seductive Michelle taking off
all her finery. To remember this
particular set shown in Vol.37.13
after all these years displays the
effect Michelle had on my swiftly
rising manhood, and it would be
wonderful to see her published in

Commuting I think we can all agree is often an allotted amount of time that screams boredom. And as these devil decreed slots of time seem to be getting longer, it might be a good idea to banish boredom, and the Evening Standard for that matter, with a crafty bit of retro gaming from CZT. This preloaded handheld with over 1200 plus games, a 4.3inch LCD colour screen, 8GB memory and built in camera, will have your digits flicking over classics like Street Fighter and Crash Bandicoot. Supports NES, Gameboy Colour, Gameboy Advanced and Sega Megadrive games to bring out the teenager in you and at a pocket-patting price too we can't argue! It's no PSP but it excellent for the price.

**Lickie Brush**www.firebox.com

I think the marketing behind this one has to be, like your cat, then lick your cat with this silicone grooming brush. In the animal kingdom grooming is a form of social bonding, and although the humble pet cat may not be a great big slinking tiger (thankfully for us), grooming does still stimulate social bonding like it's larger cousins. So if you pop one of these in your gob and give your pussy a good lick, you'll improve your relationship no end, all without the furball fuss. So tap into your inner crazy old cat lady (or man) and let your feline friend know how much you care.

Aria Amore is beautifully wrapped, with a little bow to complete the present, but who may we enquire will be doing the unwrapping?

"You, if you like," Shay replied, raising one eyebrow with a smile.

It looks like we have a playful kitten here, and we're going to be the ball of wool bopped from one paw to the other. Seeing as these so-called paws belong to Aria, I think it's safe to say we don't mind a bit of cat and mouse and who knows where it might lead.

Backdoor Secrets

Private

Starring: Gina Gerson, Selvaggia, Kira Thorn and Alina Henessy.

Synopsis: "Every man wonders what girls get up to when they are alone, now

in Private's Backdoor Secrets you can find out! Your favourite teen stars Gina Gerson and Kira Thorn give you a sneak peak of their intimate secrets, enduring a sensual solo session as they tempt their men into action. Just because you haven't been filmed fucking before doesn't mean you are a novice, debutants Jenny Ferri & Selvaggia could teach the world a thing or two about hardcore anal, they don't stop until each hole is left creaming with cum. When girls masturbate they do it for a reason, to ready themselves for an intense pounding, don't miss these solo sessions gone wild!"

Courtesy of Private

Verdict: If you enjoy reading our Peaches section, then your basket will runneth over with the ripe fruits on offer in the latest backdoor banging action from Private. There's so much on offer we don't know where to pass comment first, with Henessy getting a pussy slamming from Jesus Reyes on all fours before he stunts his big black cock up her arse for some hardcore anal fun, that finishes with a spunky splash across Henessy's face. But it's Kia Thorn who brings great tides of joy from her solo play session with a dildo,

which serves as the warm-up for the main event, as she's spit roasted before opening up her arse for a double penetration that stretches her to the max. There no arsing around here that's for sure!

Rawhide

Highly Erotic

Starring: Christiana Cinn, Asa Akira, Kleio Valentien, Sarah Vandella, Ana Foxxx, Marcus London, Derrick Pierce, Brad Armstrong, Ryan Driller, and Xander Corvus.

Synopsis: "TAKERS is a gritty Erotic Thriller set in the near future. The government has turned its back on society and the Health Care and Medical Insurance Industries have gone haywire. Medical costs have skyrocketed and many procedures have become "Black Market" operations. Enter the world of organ selling... and stealing. Donor Lists are now a thing of the past and patients are willing to do whatever it takes to get the lifesaving organs they need. In this black market economy... the highest bidder

lives. Alan Hendrix, an unscrupulous businessman, has assembled a team of "Takers" Karen (Asa Akira), Sienna (Anna Foxxx) and Carrie (Kleio Valentine) beautiful seductresses who lure men into a night of passion they'll never forget. Unfortunately, they'll wake up to find they've become unwilling organ donors. This edge of your seat drama mixes intense sex, intriguing storytelling, and incredible acting by some of today's most talented performers. This movie is a "Must See" and will change your mind about what an adult movie can be."

Courtesy of Wicked

Verdict: Can we have your liver? Well, at least the Monty Python chaps asked first. Though, Asa Akira certainly makes an unsuspecting thief in the night as she lures men to

the butcher's block. Akira is generous with her perks giving anal delight to one unsuspecting victim, but what's this all in aid of? A debt that must be paid, which has saucy instalments by the look of things. But there's more than one predator in operation as Kleio Valentien and Sarah Vandella get to know each other in a rampant three-way. Bailbusting scenes to suit any taste.

This month's cover girl certainly isn't leaving anything to our imaginations thankfully, as Club newbie Lauren Louise storms the front page with her dark melting eyes and plump puppies proving an enticing sight. But at 21-years-old Lauren is no wallflower surprisingly, and knows her own mind thoroughly, moving the shoot

along at her own pace with delicate indications.

"I like being in charge, not so much in the bossy sense but more in the way that encourages situations or people to come out of their shells."

We wouldn't mind being guided by Lauren in any direction, lead on dear woman, lead on!

Talkin' Blue

CONFESSIONS OF A CHOCOHOLIC!

Every year I try to do a 'choc detox', giving up chocolate between Christmas and Easter, and every time, I always fail miserably, usually after driving my bloke, Jason, mad with all my moaning about cravings and 'withdrawal symptoms'.

This time around, as soon as I mentioned it, he just rolled his eyes and asked why I even bother. I got all defensive and said he could be more supportive. He told me he'd have my back if I was 100 percent serious, but if I cheated, I'd regret it. He's never been the control-freak type so I didn't hesitate to say yes, but he warned me he meant business this time.

I did really well for the first few weeks and Jason was brilliant – he talked me out of lapsing and never wound me up once. Then a mate from my office came back from a trip to Belgium with a big bar of dark chocolate for me – expensive, hardcore, luxury stuff!

No way was I going to ditch it – I kidded myself that I'd save it for when my detox was over. I kept it hidden – too bad Jason found it in the glove box of my car when he took it to be cleaned. He said if it had been untouched he'd have let me off, but it was unwrapped with a few squares missing. I tried to tell him I'd shared it with a couple of friends, but he's not stupid. I tried to laugh it off but he wasn't having that either.

He told me I had to learn my lesson and 'ordered' me to strip off. I smirked a bit but he kept a straight face. Then he had me put on a

pair of heels – the only clue that he was after a bit of fun from this, as those never fail to get him hard.

Despite myself, I was gazing at the bar of chocolate in his hand, hoping he wouldn't waste it. Then he broke a piece off – I heard the snap you get with the really good stuff. He beckoned me over and touched it to the flat part of my chest above my tits. Slowly, with the heat from my skin starting to melt it, he started writing on me – "BAD".

Next, he took it lower down and just drew around my nipples, turning them dark, shiny brown before writing "DIRTY" on one tit and "SLUT" on the other. I moaned as he dragged the piece of chocolate down my belly, honing the tip of it so he could write "CHOC ADDICT" on there.

He just carried on scrawling all over me – maybe the chocolate glasses he drew on my face were a bit stupid – he was sniggering to himself as he did that – but then he turned the torment even higher, drawing "lipstick" on my mouth and telling me I'd better not lick it off. Insult to injury, he bowed his head and sucked on a tit, saying he could understand why I'd found this chocolate so hard to resist, but that didn't excuse me tasting it in the first place.

Even now, all I could think as I saw my supply of chocolate melting away was, "I hope he doesn't use all of it for this." I didn't dare say that to him, but I managed to screw it up for myself anyway. I tried to butter him up, saying he should have written "COCK ADDICT" instead, and he soon fixed that with a bit of licking and a rewrite. Then he told me to get on my knees and prove it. That's when I made the mistake of asking could he smear some of the chocolate on his shaft before I started sucking his cock.

He called me a devious little slut and told me I could get on my hands and knees instead, take his prick another way. First, though, he was going to give me the punishment I really deserved for my bad-girl behaviour. Taking another piece, he wrote "COCK" one cheek and "CHOC" on the other – he showed me in a mirror. We've played spanking games before so he knows what he's doing and he started off gently to warm my arse cheeks up, switching between them and patting

rather than slapping them for the first few goes.

Once he'd got going, he asked me which I really liked best – cock or choc. Feeling cheeky, I said "Choc" a few times to goad him into spanking me, and each time, he'd slap me on the "CHOC" cheek. But when I said "Cock", he just said, "Liar!" and slapped me across the other one instead. Obviously, I

“Now he took two big chunks of chocolate and started rubbing one over each cheek.”

“...he slammed in hard, right down to the root in one and started fucking me.”

couldn't win (or lose!) either way and he soon had my bum glowing pink and hot.

Now he took two big chunks of chocolate and started rubbing one over each cheek. It felt cool and smooth at first, but it soon melted between his palms and my arse, both warm from the spanking. He actually grabbed his camera phone and shot a bit of film, of the mess he'd made of my bum and his prick playing down the still choc-free crack of it. He said that maybe fucking me up the arsehole would be appropriate, but he wanted to do me hard and fast so he'd have to settle for sticking it in my pussy.

He stopped filming and started to finger my cunt – I was so turned on by all this, and the taste and smell of the chocolate he'd used on my face and tits was just making it even more unbearable. They say it's an aphrodisiac and “they” are right! And now he grabbed me on the hips, leaving more handprints.

I felt his hard-on bump up against my pussy, then when he'd got it in position, he slammed in hard, right down to the root in one and started fucking me. I could hear my juices squeiching as he ploughed in deep, feel his hands reaching forward to grab my tits. Then he stuck a finger in my mouth, let me suck

"It hit the back of my throat and I pulled back, letting him slide out, gasping for breath as he finally slipped clear."

the chocolate off it.

It was absolute fucking bliss – almost an instant orgasm – but I had to sneak a hand back and rub my clit before I started cumming. And once it began I couldn't stop – the slightest touch would have my pussy tightening up, clenching around Jason's dick then rippling, massaging and sucking on it inside my wet hole.

I know when he's getting close to the edge himself – his body seems to tense up and although he'll jam his cock in deep, he'll slow down, trying to fight it for as long as possible before giving in and humping us both to a cum. I felt him slow down... then he pulled out.

He sometimes does this if he wants me to finish him off with my mouth, but he paused this time and I felt him stroke and fondle my arse cheeks again. Then, when he finally came around the front I saw he'd coated the entire length of his shaft with the melted chocolate from them.

The more I wanted, the further in I'd have to suck him but deep throat doesn't faze me. I moaned, sucking in a couple of deep breaths as I sawed the underside of his helmet in and

out over my tongue. Then, gradually, I took him in deeper, savouring the rich taste of the chocolate, which seemed to meld perfectly with the flavour of my own pussy juices.

I sucked him slowly, pausing only to let him slide out far enough that I could take a breath through my nose. Then I took him back in, nose-tip tickled by his pubes as I used my hand to rub his balls against my chin. I don't know how he held back as long as he did, given how close he'd been before, but he seemed to last for ages before finally letting out a big gush of spunk.

It hit the back of my throat and I pulled back, letting him slide out, gasping for breath as he finally slipped clear. I kept my hands on his prick, aiming it at my face and tits, scooping up his mess, especially from the places where he'd drawn on me with the chocolate, so I could taste it with his spunk. It

was weird but amazing, even better than I expected, sort of salty-bittersweet – another treat I could get used to.

I told Jason that as we watched the filthy footage on his phone – and he fed me the square of chocolate he'd saved for me. If I learned one lesson it's that he's the perfect man for me – he knows what I like and need.

He suggested a different idea – instead of trying to give up chocolate completely once a year, he'd hold on to some chocolate for safe keeping and I'd go for as many weeks as I could at a time – or maybe days – before I needed to beg him to let me have some. Of course, I'd be so desperate for it by then I'd do anything and he'd take full advantage. Not that I'd hate any of it myself!

He's also booked us a weekend in Belgium so we can stock up – and get in a big, sexy, chocolatey mess while we're there!

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal.

DREAMS OF CREAM!

Nowadays, I get a lot of time to myself. A few years ago, however, this wasn't the case at all. Being part of a large group of friends, each Friday night I'd be out drinking and flirting, and more often than not staggering back the next morning from some guy's house! My appetite for sex, therefore, is insatiable, despite now being married and living away from my close group of girlfriends. Even though Mark can certainly satisfy me and our sex life is wilder than your average married couple, I can't help craving more.

With Mark working away for two or three days at a time, my vibrator has seen a lot more action and I've even begun to look forward to when I have a whole evening to just lay back and pamper myself, if you know what I mean! It gives me time to fantasise about anything I desire, with no physical restraints. Those thoughts invariably lead to when I used to party every Friday night, and in particular groups of blokes with only one thing on their mind.

Sitting up in bed wearing only my bra and knickers, I imagine being in a giggly drunken state on some unknown guy's sofa with my friends and his, talking suggestively and nervously to each other. Rolling my finger over my hardening nipple, my mind switches to me snogging the bloke I'm with whilst my friends whistle and tell me to "Go for it!" Straddling the guy, with my skirt hitched round my waist and my arse in full view to the room, I begin to let him suck my pert tits. The very thought makes my pussy wet, and reaching down into my knickers I cup my crotch as my mind

continues.

As he licks my jutting nipples, I feel a pair of gentle hands on my backside. I crane around to see my best friend with her slender manicured hands on my arse, while her own tits are being freed from behind by another guy. Bending forward on all fours, she begins to lick the crack of my arse, and bite at my G-string as she is being stripped hurriedly by the randy bastard who is pawing her fit body. Holding this image in my head, I barely touch my pussy, sending shudders through my own body. Splaying my legs and falling backwards onto the soft cotton duvet, my index finger bends rhythmically as it strums away at my clit. My back instinctively arches as I am now imagining a rigid cock between my thighs, pressed against my soft tummy. Raising up

“Pushing my butt apart with her index and forefinger, the head of his dick enters...”

on my knees, I part my cunt lips and drive myself down onto the erection. Meanwhile, as I tease my own clit, I sink two fingers knuckle deep into myself to simulate the fat dick that I really crave.

However, I want more, and as my friend is still behind me, straining to lick at the shaft that is in and out of my twat, another cock is being unzipped to my right. In my mind I reach for it roughly, forcing the foreskin back and displaying my tongue to show where it's about to go. I have now rolled on to my front and am bucking my own hand wildly, as the image races further. With one cock straining inside my cheek from the side, whilst another fills my pussy I picture my friend feeding the tip of her man's dick into my arsehole. Wetting it with her spit, and pushing my butt apart with her index and forefinger, the head of his dick enters, making me catch my breath. As my sphincter relaxes, I can barely feel the individual cocks as my whole lower body fills with warmth.

Turning on my side I reach for the thin vibrator, and without turning it on,

begin to slip it down the perspiring crack of my arse. Hunching up, I insert the tip, and begin to work my butt over the plastic shaft, all the time thumbing my clit as I part my own pussy lips. I want every hole open as I am now imagining sucking the balls of the cock that I am wanking across my face. Another female friend is chewing my nipples and grabbing and gyrating my hips into the two rigid dicks that are filling me. I imagine the shaft in my hand begin to pulse, and the first shot of spunk spray across my cheek. Yanking it down into my mouth to take the rest down my throat is the image that sends the first spasm through my body, as I writhe around, alone. Slapping my thighs together, as I frantically rub myself, I barely notice the vibrator inside my bumhole as I bring both hands between my legs. I press my eyelids together as in my mind my cunt is now being filled

with spunk, as the cock from my arse is now slapping against my bum cheeks leaving jets of jizz over the small of my back. My climax is immense, and as I tighten my thighs around my fingers, the image slowly fades. Covered in sweat, in just my bra and panties around my knees, I drift off with the thought of turning this fantasy into reality.

Lila, Bolton

BIRTHDAY BUMMING!

It was my boyfriend's first birthday since we'd moved in together and I decided to make it extra special. I took a half day off work without telling him, so when he got home at 6 PM, I had everything ready. I was wearing a new underwear set – tarty red and black, which I knew James would love. It showed a lot of cleavage at the top and the bottom part was a thong, so barely covered anything. It came with matching black stockings and a suspender belt to hold them up. I'd done my make-up, hair, nails and perfume, so it wasn't a complete surprise when he ignored my request for him to sit at the table while

“...he hooked the soggy material to one side and licked between the folds of my pussy.”

I finished readying dinner and grabbed me instead, saying he wanted to move straight to dessert.

There was lust in his eyes and I melted when he started kissing me. Secretly pleased, I squealed in protest, knowing full-well that the dinner wouldn't really spoil by being left for another hour, or hopefully two. The truth was I was happy to skip ahead to the fun part of the evening as he swept me up and carried me into the bedroom. I positioned myself on the bed as he stripped completely and gasped as his erection bounced up into view. I had special plans for that particular erection – a birthday surprise.

James came up the bed but seemed to change his mind half-way. He started planting little kisses down my stomach until he got to my pussy. The feel of his lips through my panties was torture and pleasure rolled into one. I wanted it, but needed flesh-on-flesh. My body squirmed, pushing out against him, unashamedly trying to get closer. My juices were flowing. I gasped with relief as he hooked the soggy material to one side and licked between the folds of my pussy. As he coiled a finger up inside me, I felt myself losing control. My body started glowing with sexual heat. My pussy tightened, gripping the fingers within and I started to climax. James hurriedly moved his tongue over my clitoris, perhaps surprised that I had orgasmed so quickly. My pleasure spiked to new heights and my body arched off the bed as he licked my most sensitive place. It felt so good – but I knew this was just the start. The anticipation of what was to come and the fact James had no idea made the waves of ecstasy all the more intense.

I decided to keep the secret a while longer as I moved over James and wrapped my hand around the thick shaft of his cock. My body started to tingle as I tried to imagine how it would feel inside my bum. I tugged up and down on it; it was so big and hard but hopefully the perfect size for me to have some anal fun with. I looked James in the eye as I angled his cock towards my mouth and moved my lips around the tip. I played with it, using just my lips and tongue. Sucking, licking, gently grazing my teeth over the exposed glans. James moaned with delight even before I slid forward, pushing my lips down his shaft, taking his cock into my mouth and throat. I kept it there, fully inside me and wrapped my tongue around the back of his shaft.

“...his shaft passed through the tight muscles of my arsehole.”

James groaned and I felt his hand stroking my hair, pulling it away from my face so he could see me taking his cock fully into my mouth. I knew how much he loved to see that. I wondered how much he'd love to see his cock buried in my bum. I pulled back, releasing his cock into my hand, smiling as I wanked it, allowing the head to rub along my lips. I was ready.

"I want you to play with my bum." It was something we both enjoyed – a shared fantasy where I let James use his fingers on my bumhole while I played with my pussy. Only this time I was going to let him fuck my little arse. He smiled knowingly. Perhaps he had anticipated my birthday present to him. I tried to keep the secret by hiding my face in the pillows and thrusting my bum into the air. He gently moved my hair to the side so that he could kiss down my spine. Tickling, tingling pleasure radiated down my body. He gripped my panties and slid them down and off with practiced co-ordination. I spread my knees as soon as I was free, feeling my pussy and arse open up as I exposed them to him.

"Your bum looks amazing," James said. I felt his breath as he moved in for a closer inspection. "You've got such a pretty little arsehole." I love it when he talks about my bum and I tensed and relaxed my muscles, playfully winking at him. He licked me first; he always does. It's so rude. It still shocks me to feel him doing it to me; to feel his tongue moving over and probing into my arsehole. But this time, I was eager to move on. I

wanted to feel his fingers penetrate me. Only then could I move on to taking his cock in my bum.

James positioned himself behind me, placing a hand on my hips. I felt the cold slipperiness of the lubricant squirt into the cleft of my arse. His fingers worked their way inside me, penetrating my bum. I'd got used to doing that with him. I liked him fingering my bum whilst he jerked off, the shared fantasy being that it was his cock going in there, into my arse. I'd always said that I'd never let him stick his cock up my bum. But we both knew that was a lie; however I had wanted to save my anal cherry for a special occasion. His first birthday in the house together seemed special enough.

"I want you to stick your cock in my arse." I said it quietly, into the pillows. I wasn't sure whether he'd even heard me.

"Are you sure?" he whispered back. He wasn't surprised – but that didn't take away from the value of my present to him.

"Yes – I want to feel your cock in there," I said, wiggling my posterior. The fingers slipped away and I felt the mattress shift as he moved around into position – into a position where he could guide his cock inside

my bottom. I gripped the sheets, bracing myself for the pain that I was about to experience. I felt it at my entrance. I felt the pressure – it was nothing like slipping his cock into my pussy: this was an effort. I felt him using his thumbs and fingers to apply pressure directly to my bumhole. Then the pressure eased. I thought he'd stopped trying.

"Oh my god," James said. "My dick is in your arse." I didn't know until he told me. I had been expecting to cringe with the pain of it – but it had just gone in. I started breathing again. My fingers moved down between my legs and I could feel it. The shaft of James' cock was sticking out of my arse – which meant some of it was inside. I felt so dirty, like a porn star. Dropping my fingers back down to my pussy, I started rubbing.

"Push it all in," I told him.

"Are you sure?"

"Do it, now!" I snapped. I wanted all of his cock inside me and I pressed back as he pushed forward. It felt amazing as his shaft passed through the tight muscles of my arsehole. I was being violated and it was wonderful. As the hairy warmth of his belly touched my bum, I knew that I'd taken the whole thing. It was throbbing inside me, making my bum ache with pleasure.

"Fuck me, nice and slow," I gasped. My breath quickened as I felt my boyfriend's cock slide out of my arse before easing back in.

"That looks amazing!" he groaned with obvious delight. My body started to tingle as he did it again, and again. He was doing it; he was fucking my arse. My clitoris slithered out from within the folds of my pussy and I moaned as my fingertips brushed across it. That one little noise encouraged James to increase the tempo and I gasped at the shock of him slamming his cock into my arse. The tempo cranked-up again. It was like being stuck in a feedback loop. My every noise encouraged him to go harder and faster and the harder and faster he went, the more noise I made.

I was about to orgasm again. I couldn't

resist as James pounded my butt. I'd expected to struggle, to take it slow and steady and here he was fucking me like an anal slut. That thought, that label of 'anal slut' took me over the edge. A delicious surge of ecstasy flooded my empty pussy, quickly followed by wave after wave of pleasure. I tightened my muscles around James' cock, gripping him, holding him in place, and with every inch of his cock buried inside my pucker, he came. He cried out and I imagined his cock firing load after load of spunk into my arse and my fading orgasm re-intensified.

"That was amazing," James said, as we both fell back onto the bed.

"Happy Birthday," I replied, kissing him on the lips.

"I can't wait until my next birthday," he said, smiling hopefully.

"Oh, I don't know that I'll make you wait that long – it's my birthday soon."

A recent trip to a certain well-known strip club gave us ample opportunity to get to know the gorgeous Katie here, and after a few whistle wetter's we were feeling very merry in the company of this seductive blonde who had some delightful things to impart. Out of all the places to meet, why a strip club? "Don't you like what you see?" Being surrounded by scantily dressed shimmying women is our idea of a perfect night out. "Well, that's my idea of a great night out too. I love looking at women; it's a big turn on for me." Are you a bit of a bush tucker then? "Yes and no, I enjoy a woman, but sometimes I need a man too." Anybody would be lucky to get their hands on Katie is all we can say

What our well-placed moles are telling us this month...

DOWN THE WIRE

Heavy Brew!

When there's a large party of you at the pub, heading off to the bar can seem like a daunting task, and not just for your wallet. All that running backwards and forwards with three pints at a time, while doing your ruddy best not spill a drop should be made into an Olympic sport. But one man's effort in Bavaria, South-eastern Germany, has broken his previous record. Oliver Strumpfel carefully cradled thirty-one tankards filled with beer,

stacked in two tiers and walked for forty meters before setting them down. Unfortunately, two tankards were upset at the last minute, making the new world record twenty-nine. We wish he was our drinking buddy!

Now, where's my table again?

Best Foot Forward!

It's like something out of a disaster movie as New York sink hole opens up to a most unlikely end. One gentleman was given quite a shock as he crossed a New York City street and the crossing gave way beneath him swallowing one of his legs. Photographs and a video emerged of the unidentified man awkwardly sitting in the middle of a pedestrian crossing with almost the entirety of a single leg vanishing into the asphalt. Three firefighters worked to pull the man out of the hole, and after quite a struggle he was eventually freed, minus one shoe, exposing a hole in the ground that measured roughly seven inches in width. The unsuspecting victim was taken to the local hospital with minor trauma to his leg.

Has anybody seen Alice?

Kinky Koala!

A bit more ass right?

It looks like somebody needs to take a few lessons to brush up on their skills. Nikki Erickson, from South East Queensland, got a bit of a shock when she discovered an intruder had entered through an open door. The trespasser turned out to be a fuzzy grey koala now nicknamed Larissa, who attempted to climb Erickson's indoor pole, which led to some hilarious footage of the koala shimmying up and down. But Erickson quickly realised that Larissa needed to be placed back in the wild, and

contacted the Daisy Hill Conservation Park who took care of the critter. The video was shared privately on Facebook, but it wasn't until a pole performer asked to make the video public that the sassy marsupial went viral with over a million hits.
